I am a Junior Full Stack Developer. Recently graduated from a Coding Bootcamp at UWA. I have a background in Special Needs Education and Support for people living with disabilities.

I am a hard worker, responsible, competent, with excellent planning/ organizational skills, attention to detail, problem solving skills and creative.

I have excellent interpersonal skills and enjoy working as part of a team. I have a great experience providing a high standard of customer service.

I am passionate about coding and cannot wait to have the opportunity to continue this journey.
